

Nordic Biogas Conference

Reykjavík, 27-29 August 2014

Brancheforeningen
for Biogas

Instructions to submitters.

The purpose of the conference is to be an important platform for exchange of experiences and knowledge within the biogas area. It focuses on best practices in production, upgrading, distribution and utilization of biogas.

The focus of the conference is to disseminate information about Nordic, European and global biogas markets, innovation and research.

Deadline for abstracts is 10th of June 2014.

Fill out form and send to nbc2014@sorpa.is.
